Basis of Amendment:

To align with RNC Constitution and MNGOP Constitution to use the language of principles instead of philosophy. Also to not put SPRCC in a position to automatically support MNGOP Affiliates or other Republican Organizations political courses of action.

Preamble

We, the Republicans of Saint Paul, designed this Constitution to institute regular procedures for the orderly and efficient conduct of our activities. We welcome the participation of all residents of this city who subscribe to the ~~Republican philosophy~~ **principles of the Republican Party**.

The Mission of the Saint Paul Republican City Committee is to:

- A. Represent the Republican philosophy of government and the party's platform to the people of Saint Paul.
- B. Build, train and maintain the party organization at the city and ward level.
- C. Identify, train and elect candidates for city offices who are capable men and women dedicated to the Republican philosophy.
- D. Support and assist elected Republican officials in following the Party philosophy.
- E. Raise funds necessary to operate this organization and fulfill its mission.
- F. Communicate the view of the Saint Paul Republicans to other party organizations. ~~and to aid in their political course of action.~~
- G. Support changes in government that advances the party philosophy and platform.
